PRESIDENT'S REPORT

Dear Members,

2017 was another strong year for ANU Sport. With a growing membership base and a sound financial footing, the ANU Sport and Recreation Association looks to the future with confidence. The Association can be proud of its many efforts including supporting its affiliated clubs, delivering community programs on campus and providing facilities for our users.

The Association progressed a number of key initiatives relating to the introduction of an ANU Sport Scholarship, the review of the Association's governance arrangements and identification of new infrastructure projects. 2018 should see the realisation of all of these initiatives.

This progress was achieved during a challenging time for the Association with a change in the position of Chief Executive. After seven years in the role, Mr Michael Brady left the Association in August to pursue other business opportunities. Michael played a significant role in transforming the Association into a financially secure and forward-looking organisation. The Association thanks Michael for his substantial contribution and wishes him all the very best.

Replacing Michael with a Chief Executive who would build on our recent success and address the varying challenges the Association faces was not going to be easy. I'm pleased to report that the ANU Sport and Recreation Council appointed Ms Katrina O'Mahony to the vacancy. Katrina has made an excellent start and the Council is excited about the Association's future with Katrina in the Chief Executive position.

ANU Sport is strongly committed to providing high quality services and facilities to our Members and affiliated clubs. It is our reason for being and it is what drives the staff and Council of the Association on a daily basis.

The ANU Sport and Recreation Association would also like to thank the hundreds of volunteers who support our clubs and allow us to provide the services that we do. Without your efforts, our offering would be significantly diminished.

One of the reasons the transition to the new CEO was so smooth was because of the efforts of the staff of the Association. Much of what they do goes unnoticed but it is their tireless effort which ensures our Members are supported in the way they deserve.

In closing, I would like to thank my fellow Council and Committee members for their contribution throughout the year. A number of long standing Council Members will not continue into 2018, I wish them all the very best.

David Luchetti

President

ANU Sport and Recreation Association

TREASURER'S REPORT

Dear Members,

In 2017, the ANU Sport and Recreation Association made a loss of \$139,610. This is a large loss, but it is largely explained by the contribution of \$110,000 to a perpetual scholarship fund and a change in the accounting treatment of an equipment agreement with the Boat Club. This accounting change meant that income in 2016 was overstated by about \$30,000 and as a result there has been an equivalent charge in the 2017 accounts. The good news is ANU Sport is in a strong enough financial position to absorb a one-off loss of this type due to its healthy balance sheet with money in the bank and low levels of debt.

The Association received SSAF funding of \$601,202 and in return provided discounts and subsidies to students of approximately double that value. The additional funding that supports these subsidies is earned by charging higher rates for gym and facility usage to outside and non-student users. The proportion of SSAF that ANU allocates to sport has declined steadily over the last twenty years. Indeed, over the last five years, the percentage of SSAF funds allocated to sport, has decreased from 17% to 11%. It is well understood that involvement in University sport is important to a large number of students for recreation, health, well-being and social reasons. We need to continue to sell this message and I urge you all to spread the word.

ANU Sport's Council recognises the valuable role that clubs play in providing sporting opportunities for members and is keen to ensure that the clubs continue to be well supported. There are about 800 volunteers involved in all aspects of sport on campus and these are the people who are the lifeblood of the social fabric on campus. ANU would be a poorer place without them.

Mick Brady left ANU Sport after more than 7 years as CEO. His dedication and skill made the Association a more professional and better run organisation. We are fortunate that Katrina O'Mahony has taken on the role. She has brought fresh insights and energy to the role and has made a great start. I would also like to thank the ANU Sport staff for their efforts on our behalf. They have a great team culture and are very dedicated to ANU Sport, often working above and beyond what we expect of them. It is very rewarding to be able to work with the ANU Sport staff and we should all be grateful for the skill, energy and care that they bring.

Full Financial Report provided in Appendix A.

Neil Parsons

Treasurer

ANU Sport and Recreation Association

CHIEF EXECUTIVE OFFICER REPORT

Dear Members,

2017 was a significant year for ANU Sport, and whilst the financial picture paints a deficit, it also reflects an investment in the future. The inaugural ANU Sport Scholarship is an important milestone – providing opportunity for a talented individual to attend ANU and pursue excellence in both academia and sport. It is an important step forward, supporting the University in attracting the most talented students and producing well rounded graduates. 2017 also signalled investment in other important areas. There were substantial developments made to the fitness provision, with upgraded gym equipment, a refurbished functional training studio and improved sound equipment – all designed to enhance the experience for our Members. Further, new programs including ‘Active Campus’ were launched in an effort to take fitness and well-being beyond the walls of our building and out into campus. These initiatives have been a huge success and will continue into 2018.

In 2017, we also witnessed success on both an individual and team basis, with many of our athletes achieving fantastic results in their respective fields throughout the year. 22 ANU students received Athlete Travel Grants whilst representing Australia and a further 147 athletes attended Australian University Games (160 at the Eastern University Games) – with men’s hockey and mixed beach volleyball taking home coveted bronze medals. The Boat Club also had a stellar year, winning gold at the reserves race at the World Championships in Florida and performing exceptionally well at the National Championships, ranking in Australia’s top 10 rowing clubs.

Importantly, 2017 saw the launch of a new strategy for ANU Sport, signalling a fresh beginning – one that will be more closely aligned with ANU’s vision and long-term plans. We will work with ANU more collaboratively, focusing on our key objectives of experience, excellence and diversity – and providing our students and the broader community with the best opportunities to remain active and healthy.

We now look forward to a new chapter in 2018. With a competitor arriving on campus in 2019, it is imperative that ANU Sport places itself in a position of strength to sustain the community offering of sport on campus. To this end, there will be a number of exciting changes. Further enhancements will be made to the gym in an effort to continually improve the experience, and the change room facilities at the fitness centre will be completely renovated – providing our users with a significantly improved space. This year, we will also see the South Oval Pavilion project commence, with a brand-new Pavilion opening its doors in 2019. To support all of these important changes, ANU sport will also undertake a governance review, ensuring that the organisation’s Constitution and governance arrangements are reflective of who we are in 2018 – and beyond.

With such a significant year behind us, I wanted to specifically extend my thanks to my predecessor, Michael Brady, whose contribution to the organisation’s growth and development has been unequalled. My thanks also go to our incredibly dedicated and supportive Council – a group of volunteers who give up their time to guide the organisation. Lastly, but certainly not least, to the staff of ANU Sport – a wonderful team whose commitment and determination keeps the wheels turning. I’m very much looking forward to sharing the 2018 journey with you.

Katrina O’Mahony

Chief Executive Officer

ANU Sport and Recreation Association

CLUB REPORTS

AFL CLUB

ANUAFC, established in 1961, provides a safe, friendly and social environment for students and non-students to play Australian Rules Football on the ANU campus. ANUAFC fields two men's teams (Seniors and Reserves) and one women's team in the official AFL Canberra leagues.

Highlights

ANUAFC launched Australia's first ever Women's AFL Leadership Scholarship. Our inaugural scholarship winner was Phoebe Worth who had previously played soccer at the highest levels. She was selected for her athletic and academic skills, leadership potential, and commitment to personal and community development. In return for studying and playing football at ANU, Phoebe receives a \$5,000 per annum scholarship from ANUAFC, leadership training within and outside the club, career introductions and mentoring, and opportunities to represent ANUAFC as a speaker, leader and women's advocate.

ANUAFC hosted and played finals in Division 3 and 4 of the Men's AFL Canberra competition, playing semi-finals in both grades.

Achievements

- AFL Canberra Community Club of the Year for the third year in a row.
- Haydn Dobson awarded runner up Best and Fairest in 4th Grade Men's Competition.
- Becky Mount, Adela Michelson, Annabel Roden and Phoebe Worth selected into AFL NSW/ACT Joss Women's AFL Academy.
- Becky Mount selected in the ACT/NSW Youth Girls Team which competed at the Northern Academy Series in Coffs Harbour.
- Caitlin Roy, Karen Short and Rebecca Jones celebrated 100 game milestones for ANUAFC.
- ANUAFC won inaugural Club Championship against Ainslie Football Club, in a clean sweep across all 3 grades.
- Men's Reserve Grade retained the Pepper Cup from arch rivals, Harman Hogs.

Administration

President:	Caitlin Roy
Vice President:	Jennifer Church
Treasurer:	James Hancock & Heath Moore
Secretary:	James Mount
Football Manager:	Matthew Cawshaw

AIKIDO AIKI-KAI CLUB

The Aikido Club links its members to the international world of Aikido through its affiliation with Aiki-Kai Australia. The club focuses on beginners through participation in the ANU Sport program. The club trains four times a week (Tuesday, Thursday, Friday and Sunday) in the ANU Sport Dojo.

Highlights

The club had a terrific year of training in 2017.

- The January 2017 Summer School in Melbourne was particularly significant as Waiki Sensei, son of the current Doshu and Dojo-Cho of AikiKai headquarters, Tokyo Hombu dojo, was our honoured guest. Two senior club members were awarded their 6th Dan rank and a third member was awarded his 5th Dan rank. One of our club members tested and passed his Shodan grading.
- May 2017 TTC weekend Sydney – Hanan Janiv Shihan conducted a training weekend in Sydney attended by students from Sydney and Canberra. This included a kyu grading and one Canberra student graded to 3rd kyu.
- A large number of club members attended the July 2017 Winter School at Narrabeen in Sydney conducted by Aiki-Kai Australia's three Shihan, including Hanan Janiv Shihan.
- September 2017 TTC weekend Melbourne – Ruth Treyde 6th Dan and Guy Fripp 6th Dan conducted a weekend training in Melbourne attended by students from Melbourne and Canberra.

Administration

President: Scott Seymour
Treasurer: Margaret Dinan
Secretary: John Robbins.

AIKIDO JTS CLUB

The Aikido Club, with John Turnbull Sensei is the oldest established Aikido centre in Australia. It was founded in 1968 by Turnbull Sensei, who was the first Australian student of Japanese master, Seiichi Sugano Shihan, and is the central location of the National Aikido Federation.

The club focuses on real combat applications and the development of 'ki', or 'life-power'. Students learn strikes, throws and locks, as well as weapons usage, weapons disarming techniques and how to handle gangs. The cultivation of 'ki' is what gives practitioners the ability to overcome much larger attackers.

Highlights

The club had a good year both on and off the mat. We had two groups of enthusiastic beginners, many of whom are now club members. We also had some members from previous eras returning to us.

This year Turnbull Sensei continued his focus on meditation and its relation to Aikido. Beginners were given several sessions that focused on mindfulness meditation, including one of the Alexander techniques for relaxation. The other focus that Sensei reintroduced this year was on weapon training, especially sword training.

Off the mat, the club held several social evenings including a video night. This included showing rare footage of O'Sensei, the founder of Aikido, and other Aikido masters.

We celebrated Sensei's 82nd birthday and marked the occasion with a beautiful new framed portrait of O'Sensei.

Administration

President: Jeremy Strasser
Treasurer: Vincent Nyugen
Secretary: Tamara Abed

Brett Stubbs demonstrating an Aikido technique for disarming a swordsman.

BADMINTON CLUB

2017 was a very successful year which saw membership growth and increasing student involvement compared to 2016. The club was also part of the trial to roll out the new online membership system which successfully simplified the sign-up process. The club continued to provide coaching, which helped to develop more players who later went on to represent ANU at State-level competitions and University Games on the Gold Coast.

A heavier emphasis on competitive representation was a key club focus for 2017. Coaching and training were provided to develop and encourage players to compete at a higher level. Members' representation spread across local, state, national and international-level competitions, which tested them to play in environments that differed from social weekly sessions offered at our club.

Highlights

The club came away with wins at many competitions, including the ACT Interclub Challenge, ACT Open and ACT Closed.

Special mention should also go to the team which came away with a comfortable victory over UC at the Intervarsity Challenge, with the women's match particularly interesting to watch.

The annual badminton tournament this year saw a huge growth in the number of participants from the wider ACT community. This was a successful attempt in popularising badminton, allowing ANU students to develop and receive exposure to competitive badminton. The tournament remains an important event and there is opportunity to expand in the future.

This year, the club was unable to send away both men's and women's teams to compete at the Uni Games as the main focus of the Games shifted to raising competitiveness. The men's team put a huge amount of time and effort into training prior to the competition, which showed in the results. The men's team performed to the best of their ability and was able to come 5th out of 17 teams competing. This secured a position for ANU in the top tier of the Uni Games for 2018. A green and gold medal was also awarded to Anthony Joe for displaying high level performance and excellent sportsmanship. Valuable experience was gained, with both teams keen to improve for the Division 1 Uni Games in 2018.

Administration

President:	Sheehan Lim
Vice President:	Jay Cruise
Treasurer:	Dat Hoang
Student Engagement Officer:	Shaza Amran

BASKETBALL CLUB

The ANU Basketball Club was founded on 26 August 2016, then affiliated with ANU sport in early 2017.

2017 was a successful first year for the club with 128 members, demonstrating the potential this club has on campus. From the beginning, the club has emphasized a positive, inclusive culture – providing students with an opportunity to exercise, make friends and play basketball. The club provided well organised events, which will be built upon in 2018. The focus for 2018 will be to create a stable governance structure so the club can continue to be organised and run great events into the future.

Highlights

- Four internal basketball competitions in 2017; a mixed competition in both semester one and two, and a men's competition in both semester one and two. These competitions were social in nature but run professionally.
- 3on3 tournament in semester one and semester two. They also included a 3-point competition and a skills competition. These tournaments were great for students with busy schedules.
- A social night in the middle of the year at the Hellenic Club. This was a great event and allowed members to socialize and deepen friendships away from the basketball courts.
- The club took a team to the EUG held in Newcastle. This was a great experience for all those who went. The team ended up coming 7th out of 16 teams.
- Weekly training/scrimmage which was enjoyed by everyone who attended.
- The club also began a representative program with games against UC and the Royal Military College. This program will be continued and improved in 2018.
- A beginner's program was held in semester two. Hopefully with the experience gained in 2017, 2018 will be a success.

Administration

President:	Noah Johnstone
Vice President:	Alec Thomas
Treasurer:	James Pepito
Secretary:	Victor Jakobsson
SEO:	Hunter Johnstone
Coach Coordinator:	Sofia Samper
Referee Coordinator:	Tim Hume

BOAT CLUB

The ANU Boat Club (ANUBC) grew its membership in 2017 to 183 members across all levels, from introductory to international. For a club that has rarely had more than 100 members at any time in its lifetime, this has presented challenges for resourcing sufficient volunteers, coaches and equipment. Consequently, the committee has taken steps to provide increased support for its coaches and strategies for adequately equipping the club.

Highlights

The club's standout international performer in 2017 was Caleb Antill, who won single, double and quad sculling national titles, then finished 6th in the single at the World Under 23 rowing championships in Bulgaria.

Achievements

2017 was a strong year of competition, with ANUBC rowers competing at the World Championships, World Under 23 Championships, Australian, NSW and ACT Championship regattas, the Head of the Yarra and the Australian University Games.

Domestic competition highlights include the eleven medals won at the 2017 National Championships and our Australian University Games team's three medals at Lake Wyaralong. ANUBC won several ANU Sport and Recreation awards, including Club of the Year for 2016, a Peter McCullagh Achievement Award, Best ANU Team Performance of the Year, Coach of the Year, one Full Blue and two Half Blues.

In 2016 the club, through the support of ANU Sport, began a plan of replacing almost its entire fleet with new boats over three years. In 2017 it took delivery of the second instalment of this plan, with \$99,000 of new equipment arriving. The final delivery in early 2018 will provide the club with a high-quality fleet of internationally competitive boats that it can maintain into the future.

Administration

President:	Nick Hunter
Vice President:	Adrienne McKenzie
Treasurer:	Neil Yu
Secretary:	Justine Riordan
Captain:	Tom Anglim Lagones
Vice Captain:	Jana Pretorius

CAVING CLUB

The ANU Caving Club continued to promote and facilitate its namesake activity in 2017, totalling over 40 members and remaining accident-free. We conducted over 10 trips, mostly within the NSW region including Bungonia, Wee Jasper and Cooleman Plains. Some of our more intrepid members were also able to join other caving clubs further afield in locations such as Buchan in Victoria. Our trip leaders continued to provide training in safe and effective caving techniques, and several of our members are now experienced enough to lead trip groups on their own. We are looking forward to extending the unique opportunity of caving to new and returning students in 2018, while enjoying these natural underground wonders safely and respectfully.

Administration

President: Wein Lau
Treasurer: Lachlan Bailey
Secretary: Stephen Zeitlhofer

CRICKET CLUB

Under new head coach Andrew Dawson, the Cricket Club had a superb start to the season with all seven of the club's teams at or near the top of their respective grades. For the first time in living memory, the club had the top four grades all playing in the one-day grand finals, and our 2nd grade team won their final to claim the club's first 2nd grade trophy since the 1987/1988 season. This local success has served as a springboard for several of our players to gain representative honours: first grade players Dan Leerdam, Ben Mitchell, Owen Chivers, Corey Spink, Michael Ninneman, Scott Murn, Sam Groenwegan and Nick Groenwegan have all been selected in ACT or NSW representative sides.

The club undertook a successful trip to Victoria University of Wellington, the capital of New Zealand and Canberra's sister city, and planning has started to host a reciprocal trip at the start of next season.

The club will award its first scholarship at the start of 2018, an amazing achievement that represents the fruition of years of tireless work by the scholarship committee and the generosity of all who have donated.

Administration

President:	Mark Vegano
Vice President:	Greg Badcock, Murray Radcliffe
Treasurer:	David Thomson
Secretary:	Warren Armstrong

CYCLING CLUB

The ANU Cycling Club (ANUCC) boasts an inclusive environment for people of all abilities to become involved with the growing sport of cycling, whether this be commuting, mountain or road cycling. The club provides opportunities for members to join in on social rides, training, gym sessions, and racing, and encourages everyone to reach their goals no matter how grand or modest.

The club continued to build on its successes from 2016 by developing and implementing a strategic plan for the next five years. The club also developed a list of 'focus' events and now aims to field a number of competitors in these events.

The club also extended its community engagement by holding a series of bike maintenance events. At these events club members brought along their tools, pumps and chain lube and serviced bikes on campus and at Uni Lodge for a small fee. These events were incredibly successful and the club has been invited back to Uni Lodge for regular maintenance sessions. These events not only allowed the club to generate some income but has made a number of bikes on campus safer and more enjoyable to ride.

Highlights

The club had a positive year in both major competitive and non-competitive events in the ACT and interstate. Most notably, we had a number of members participate in our annual Easter training camp in Thredbo, the Tour of Bright and regular weekly criterium races.

Administration

President: Lauren Bartsch

FENCING CLUB

The ANU Fencing Club had a successful year in 2017. The membership base stabilised at around 65 members, and 64 beginners were welcomed to the sport. The club travelled to multiple NSW state and regional competitions and our fencers performed extremely well at the national level Australian Fencing Circuit. There were 61 entrants to Australian Fencing Circuit events in Adelaide, Brisbane, Sydney, Melbourne and Canberra.

Our training regime made great strides with the help of our Excellence in Sport Officer, particularly in developing our nationally competitive fencers. New opportunities for structured group training on Mondays have been enthusiastically taken up, especially by the student members of the club while three club members were accepted into the ANU Sport Athlete Development Program.

Highlights

Club member Jeremy Shelley was awarded Gold and Silver medals at two national competitions. Cameron Smith was awarded the Silver medal in the Veteran Men's Sabre at the National Fencing Championships while Grant McKay received Bronze in the Veteran Men's Sabre.

Additionally, ANU fencers were selected to represent the ACT in multiple team events during the National Championships including Open Men's Epee (3rd overall), Veteran Men's Epee (2nd overall) and Veteran Men's Sabre (3rd overall). This represents the Club's best year on the national circuit with plans for an even better performance in 2018.

Administration

President:	Michael Cook
Vice President:	Alister Oulton
Treasurer:	Ashley Mills
Secretary:	William O'Neil

FOOTBALL – MEN’S CLUB

ANUFC was founded in 1962 and has since grown into the largest men’s football club in the ACT. It has a playing membership of over 250 ANU students, alumni, university employees and professionals, supported by a dedicated coaching staff and committee.

We are the largest and best performing State League club in the ACT. The club was named the State League Club Champions for 2017 – that’s the seventh year in a row. The club was also awarded the Uni Challenge Cup (pre-season competition with UC).

Our off-field efforts are focused on improving match day facilities for our players with access to quality change rooms near our home playing fields.

Congratulations to all our players on another great season. Thanks to all of the coaches for their passion and dedication to the club. Thanks to all our sponsors – Hellenic Club in the City, Capital Clinic Physiotherapy and Silk Café in Fyshwick.

On to 2018! Vilis est sermo (talk is cheap).

Highlights

There is much to be proud about our club – we have some amazing people, we play with a great attitude, and we have a long history of success, which continued in 2017.

A record SEVEN League Champions for:

- Capital League
- State League 2
- State League 4
- State League 7
- State League 8
- State League 10
- Masters 2

And the club won a record SIX Grand Finals for:

- Capital League
- State League 2
- State League 7
- State League 10
- Masters 1
- Masters 2

Administration

President:	Pat Holloway
Vice President:	Jack Mendham
Treasurer:	Tom Sharp

FOOTBALL - WOMEN'S CLUB

This year our committee continued our ongoing commitment towards consistency within the club. 2017 saw a new Secretary (Gabby Pidcock), Treasurer (Rin Rin Ly) and Vice President (Kate Holland), all of whom contributed significantly to the communication and organisational operations of ANUWFC. We also saw Sarah Zuiderduin (soon to be Creighton) in her last year as President.

The start of each new year brings a great number of new players to ANUWFC and coordinating and assisting players and teams can be overwhelming at times. We thank all players, new and old, for their willingness to offer information to those around them and for always making others feel welcome. We noted last year that our 'university' club has a traditionally high turnover of players and committee members, and 2017 was definitely not the case!! We endeavoured to bring more information to our players, coaches and committee to provide guidance and keep people coming back.

We were so fortunate to have six eager mentors of this fabulous sport. Chris, Greg, Simon, Adam, Richard, and Bundy – we couldn't have done it without you. This year also saw our club partner with a new sponsor, the RUC! With five teams entered into ACT's State League, we had four teams win League Champions and our SL1s finishing as Grand Final winners, so an absolutely fantastic season for all!

Administration

President:	Alice McNeill
Vice President:	Kate Holland
Treasurer:	Laura Sant'ana
Secretary:	Gabby Pidcock

FUTSAL CLUB

ANU Futsal Club was established in 2012 with 20 members and the club has grown to more than 70 members in 2017. The club was formed so students can train, learn skills in a competitive game environment and participate in competitions. The club aims to capture all talents including those who are interested in social Futsal for fun and enjoyment but also to learn new skills.

Due to the hard work and support of our current and previous committees, our members and players are able to enjoy consistent futsal facilities in Canberra. In 2017 club members represented ANU Futsal Club to enter the Capital Futsal competition. Results were fantastic, with two teams finishing in second place. The club also participated in ANU Lunchtime Sport and Migrant and Refugee Settlement Services of the ACT (MARSS) Annual Competition where our teams were both the champions and runners up.

In 2017 the Futsal Club took on the responsibility of setting up teams for the Eastern University Games and was responsible for trials, trainings and management of the team representing the ANU. The women's team had great results and players gave positive feedback on the overall experience.

The Futsal Club holds an annual interclub competition which is open to all ANU societies to join. The aim is to increase the competitiveness in our futsal games and improve the bonding between members and other ANU students. In 2017 the number of participating teams was double our expectation, with 16 teams registering to compete, either under a social or competitive environment. The level of competitiveness and sportsmanship among teams has yielded overall positive feedback for the tournament.

Administration

President:	Julian Wong
Vice President:	Yangchen Tshoko
Treasurer:	Tarran Savage

HOCKEY – MEN’S CLUB

2017 was a year of change and renewal. President and club stalwart, Tim Banks, stood aside after 12 years at the end of 2016. This has allowed for a few fresh faces on the committee for this year. Fittingly, earlier this year Tim was awarded the Peter McCullagh Achievement Award recognizing his significant achievements to the ANU Hockey Club and ANU Sport.

The club entered a total of seven teams (CL2, SL1 x 2, SL2, SL3, SL4 and Midweek) and had around 115 registered players making up the largest men’s club in the ACT. YAY! Overall, the club had some mixed results. Congratulations to CL2 SL1 (2) and FMW for making the finals.

Highlights

CL2 continued to build on the success of 2016 finishing the regular season in third place but unfortunately could not advance from there. Michael Thompson played the hero’s role in the semi-final shootout win against St Pats but unfortunately the guys were outclassed the following week against United in the preliminary final. Thank you, Russel McCaskie, for agreeing to coach/manage the squad this year, we are looking forward to see what 2018 holds for CL2.

SL1 (2) made the semi-finals after an impressive season only to be beaten by eventual competition premiers, Wests in the preliminary final. Congratulations on making the finals - hoping to go one step further in 2018.

Mid-Week continued to uphold its success as the social squad this year and while the word ‘default’ was bantered about I know that the team worked hard for their spot in the finals.

Both SL1(1) and SL2 just missed the top four finishing in fifth position while SL3 and SL4 ended their seasons seventh and sixth respectively but all of the teams enjoyed some satisfying wins throughout the season.

Finally, I would like to announce that there are serious steps being taken to enter a Capital League One side in the 2018 season. The club is looking forward to coming together in 2018 for what will be a turning of the tides and restoration of ANU glory!

Administration

President:	Aaron Truman
Vice President:	Tim Banks
Treasurer:	David Delchau
Secretary:	Gavin Mackenzie

HOCKEY – WOMEN’S CLUB

ANUWHC fielded eight teams across six grades in 2017, with five of our teams making their respective finals: Capital League 1, Capital League 2, State League 1, State League 2(1) and State League 4. Capital League 2 was able to finish the season in style, taking home both the minor and major premierships. State League 1 climbed back up the ladder from ninth position in round seven to finish runners-up to a much stronger and more experienced Time Travellers team who were able to put their Grand Final experience on display.

ANUWHC continues to be well represented across representative teams, with Jessica Smith selected in the Canberra Strikers AHL team once again, and Dani Cribb, Jayde Della, Emma Lomas, Grace Ronnfeldt, Peta Sutherland and Shelley Watson joining Jess in the Strikers squad. Jayde Della, Grace Ronnfeldt, Annie Burgess, Lucy Jalland and Elizabeth Carter all represented the ACT in their respective age groups.

At Hockey ACT’s awards night in September, a number of ANUWHC players were honoured. Jessica Smith took out the association’s best and fairest – the Mackay Medal for 2017. Announced at the same presentation evening, Peta Sutherland, Shelley Watson and Jessica Smith were all named in Hockey ACT’s Team of the Year.

Season 2017 saw success on the field, fun off the field and a focus on ensuring the ANUWHC maintains its relevance to members and the broader community now and in years to come.

Administration

President:	Dani Cribb
Vice President:	Georgia Phillips
Treasurer:	Melanie Rosier
Secretary:	Emma Anschaw

INTERHALL SPORT

2017 saw a better sense of interhall relations both between competitors and members of the 2017 organisation itself. The quality of ISO sport is improving across the board, as is the scope and number of people who want to get involved. This is fulfilling our main objectives that ISO is a quality, inclusive sporting offer.

The newly added AFL 9s was a huge success and is one that hopefully we can build on with women in sport into the future. Various initiatives and fundraisers, although differing in success, were attempted throughout the year and notably aided our objectives. More of these in the future would be very beneficial to both ISO and the wider ANU community.

The removal of cricket and addition of social backyard cricket is one that we felt very necessary. Problems with field bookings and the quality of the sport were the two significant factors in its removal. The introduction of barbarian style games, similar to the Rugby 7s grand final would further improve ISO's offerings.

Thank you all for your support throughout 2017, and for making my job enjoyable.

Administration

President:	Mathias Richter
Vice President:	Freya Wrigley
Treasurer:	Ollie Brown
Secretary:	Andrew McNaughton

JUDO CLUB

The ANU Judo Club provides coaching and training for the Olympic sport and martial art of Judo at the ANU. The club caters for those interested in competitive Judo as well as those who wish to take advantage of the recreational benefits.

Highlights

The club held training two times during the week with further training on Saturdays with the State squad. In 2017, continued improvement of club members saw ten members being graded and nine who attended local competitions. The club also took part in the Club Development Program to encourage ANU gym membership and participation in strength and conditioning classes. Chris, one of the club coaches, completed the International Judo Coaching Course at the AIS.

Achievements

As well as participation in local competitions, the club competed at the Uni Games at the Gold Coast at Commonwealth Games venues. Callum won silver in the Under 60kg division after fighting two black belts. James and Phil were the outstanding performers at local competition and were rewarded with gradings to brown and blue belts respectively.

Administration

President:	Peter Chung

JUJUTSU CLUB

The ANU Jujutsu Club (ANUJJC) teaches traditional Jujutsu to men and women. Students are taught strikes, joint locks, strangulations and throws to overcome an opponent.

The club conducted two introductory courses, primarily coached by Jody Whymark. Semester 1 had 34 participants and Semester 2 had 25 participants.

During the year, there were a total of 45 gradings for students, along with several high level black belt gradings for the senior coaches.

Including instructors and visitors, there were around 90 people who trained at some time during the year as part of the ANUJJC.

Highlights

Three ANUJJC members (Jody Whymark, Benjamin James, and Finbar Mossel) were selected into the Australian Team for the 2017 World Jujitsu Championships (WJC), held in October 2017. They represented Australia as part of the technical demonstration team and won the gold medal for their demonstration. In addition to their gold medal winning performance, Jody and Ben were selected as officials for the individual and team competitions. This included becoming certified under the National Officiation Accreditation Scheme (administered by the Australian Sports Commission) and passing an accreditation exam for officials at the WJC.

ANUJJC members attended two mini-seminars and demonstrations held at the Meidokan Dojo in Queanbeyan, with senior coaches instructing. This was also an opportunity to get together socially.

The ANUJJC Morgan Ross memorial award was presented to Benjamin James for his contributions to the Club in 2017.

KENDO CLUB

2017 was a great year for the club as we hosted the 42nd Australian National Kendo Championships at ANU Sport. Many club members volunteered and competed at the event and all club members were successful in their gradings, from first to fifth dan.

Our club was well represented at the Australian University Games in September, with Yosuke Okada winning the open individual championship for ANU. The club was very well represented once again at the Oceania Women's Seminar in late May.

Throughout the year the club was very fortunate to receive some high ranking and valued visitors, including Nagayama sensei and Higashi sensei over the June long weekend, and some regular visits from Yakov Macak sensei from the University of Melbourne. A contingent from UNSW led by Yuji Sano sensei joined us for a practice match before the national competition over Easter. The most important visit for 2017 was by Professor Miyasaka Masayuki sensei, one of the founders of the ANU Kendo Club.

Highlights

Darren Boyd won the Veterans championship at the 42nd Australian National Kendo Championships. Hao Zhang won a fighting spirit award at 2017 Korean Kumdo Championship & International Friendship Cup in August. Yosuke Okada won the open individual championship at Australian University Games.

Many demonstrations of Kendo were performed culminating in the Nara Candle Festival in October.

2018 looks to be an exciting year with the 40th anniversary of the club and the 15th anniversary of the Canberra Nara Candle Festival (and the 25th anniversary of the Canberra Nara sister city relationship).

Administration

President:	Darren Boyd
Vice President:	Reika Cunningham
Treasurer:	Yu-Chun (Jane) Hung
Secretary:	Sharyn Wragg

KUNG FU CLUB

The ANU Kung Fu Club is a modern, self-defence orientated martial arts club for students and members of the ANU Sport and Recreation Association. We don't train specifically for sporting events, although some of our members do compete at national and even international levels. We have an active club membership, train almost every week of the year, and engage in frequent social activities as well.

Highlights

In 2017 the club continued to recruit well among ANU students (in general) and female students (in particular). This is something we want to continue doing in 2018.

Achievements

Although the club does not train for sporting events, individual members often participate in a range of competitions – including boxing and kickboxing events, and one of our instructors, Peter Jovanovic, competed in another cage match (UFC-style) in Thailand. The club also staged several self-defence courses during 2017, including one for the ACT Transgender group "A Gender Agenda". All of these courses were well attended and enjoyed some great feedback.

MOUNTAINEERING CLUB

2017 marked the 50th anniversary of the ANU Mountaineering Club (ANUMC). In fitting with the club's long and active history, we have had a bumper year in all of our activities, capped off by birthday celebrations. Ninety people, including many ex-members from every year of the club's history, came to Sutton Hall on the 21st October. We had six speakers (Sam Keech-Marx, Lauren Bartsch, Mika Kontiainen, Matt Montgomery, Peter Cocker and Duncan McIntyre) talking on a range of topics from the club's past and present. We finished the night dancing with the Paverty Bush Band.

This year, we invested in alpine touring ski gear, which saw a large amount of use. We increased our adventure and expedition funding, to assist club members running big and ambitious trips in our golden jubilee year. We funded trips to the Whitsundays, New Zealand, Jordan and China.

Since the 2016 AGM, the club has been active in all of our activities. Along with 303 trips, we have had the climbing walls open for 18 hours a week and bi-weekly kayaking on Lake Burley Griffin for most of the year. As is often the case, we have also faced a number of challenges, particularly with engaging new members and developing new trip leaders.

Administration

President:	James Baile
Vice President:	Michelle Welch
Treasurer:	Robert Hayes
Secretary:	Taya Fabijanic

NETBALL CLUB

2017 was another successful year for the ANU Netball Club. The highlights were as follows:

Internal Comp

Another successful year for the internal competition. 2017 saw 12 teams of ANU Netball Club members play off against one another during terms 2 and 3. Competitiveness and umpiring ability has improved markedly from 2016 with umpires required to hold at least a C level badge. We will be looking to expand the competition by adding a mixed comp as we had a record number of registrations this year.

External Comp

We entered two women's teams into divisions 1 and 2 of a wider Canberra competition which proved a fantastic challenge for the teams. The teams trained weekly but unfortunately neither made it to the finals. For 2018, we'll be looking to improve team attendance and become more competitive in the competition.

Mixed Comp

We entered two mixed teams into our external competition which played against wider Canberra teams. The teams had players of varying abilities and was treated as a social competition with a focus on fitness and skill improvement. Neither teams made the finals but had lots of fun!

Uni Games

Our Uni Games team attended the EUG in Newcastle in 2017 where we entered one mixed team. This year ANU positioned 10th out of 16 teams and we look to improve on our ranking in 2018.

'Net-Crawl'

The evening is always the first major event on the club's social calendar. The night started at Knightsbridge and the group of 100 members and non-members were moved around various bars in the city.

'Net-Ball'

Our annual 'Net-Ball' was held near campus at Psychedeli. Most Valuable Player prizes were awarded for both our external and internal competitions.

Thank you to the 2017 committee for your hard work throughout the year and to ANU Sport for your continuing support.

Administration

President:	Ellie Doyle
Treasurer:	Lauren Skinner
Secretary:	Nicola Teasdale

QUIDDITCH CLUB

2017 saw a continuation of the successes the ANU Quidditch Club has seen in recent years. On the back of Team Australia winning the 2016 Quidditch World Cup, the club saw an increased awareness of quidditch in the University community and this led to an increase in our member numbers. With successful fundraisers, including our ever-popular trivia night, the club was also able to solidify its financial position and put funds back into member opportunities and events.

The club's representative team, the ANU Owls, had a successful year, going undefeated through the NSW season to be crowned minor premiers, improving upon their 2nd place finish last year. At the Australian National Championships, the Owls also improved upon previous results when they made it to the quarterfinals.

Highlights

The most exciting achievement this year was the Owls' retention of the Asian Quidditch Cup. Hosted in Hanoi, ANU had to fight not only against teams from multiple nations but also the local conditions, with games being played during 40-degree weather with 100% humidity. The Owls were proud to retain their title as Asian Quidditch Champions.

We were also proud to see five of our members selected to represent NSW/ACT at Quidditch Australia's State Shield where they walked away with a silver medal. One other ANU player was selected as a reserve and ANUQC veteran Danny Fox was selected as coach of the NSW team as well as being named as the Assistant Coach of Team Australia leading into the 2018 World Cup.

RUGBY UNION CLUB

The Universities Rugby Football Club ACT Inc. ('Uni-Norths Owls ') is a combined club for the Australian National University and the University of Canberra and plays in all grades of the highest Canberra competition (Premier Division) including Women's and Colts (under 20's). The club has a strong history of association with the ANU, with the most recent premier grade grand final occurring in 1992, under the captaincy of now Brumbies forwards coach Laurie Fisher.

The club ranks boast current Brumbies players including Ben Alexander, David Pocock, Tom Banks, Kyle Godwin and Lolo Fakaosilea.

2017 saw some big changes across the club with a pre-season tour of Japan, a new club training facility established and the implementation of a player recovery program run in conjunction with the Australian Institute of Sport (AIS).

The changes along with the commitment of a highly experienced coaching team saw the 2nd XV, Colts, and Women's teams in the finals while the 1st XV came tantalisingly close, only being knocked out of finals contention in the final round of the regular season in a count back.

Highlights

2017 was also a year of individual highlights with recent ANU graduate and First XV Captain Dave Bennett Captaining a Brumbies academy side on a tour of Mauritius while Women's first XV player Jasmine Meakin was selected in the Australian Women's 7's squad.

2018

2018 is set to be another big year for the Owls with a pre-season tour to the Gold Coast to include a number of trial matches against QLD Universities.

New players regardless of experience are all always welcome and are encouraged to get in contact with the club via the club Facebook page:

SAILING CLUB

The ANU Sailing Club finished the 2016-17 season placing first in the Open Category in the 2017 ACT Teams Racing Championships in February and a club crew taking third place in the Fast Dinghy Division at the Wallagot Lake Regatta in March. The club also sent several boats to compete in the Batemans Bay Regatta in April. The 2017-18 season opened with the ANU team placing fourth in the Australian University Games. This was a strong showing given the increase in competition and included the team placing second overall on the second day of racing. Several boats also competed in the ACT Dinghy Championships. Throughout the season club members continued to compete in Tuesday Twilight Racing as well as Saturday racing and the club experienced an increased use of its fleet of Tasers.

At the end of the 2016-17 season, the club revised and improved its beginners' course and had a corresponding increase in participants continuing to sail following their completion of the course. Five courses were run over the course of the year with very positive feedback from all participants.

During 2017 the club purchased a second-hand Laser in very good condition and finished repairs on a previously purchased Sharpie making it seaworthy. These are both important additions to the club's fleet.

The club has begun reinstating a relationship with the ADFA Sailing Club with the aim of running joint trainings and competitions in the 2017-18 season. This will be a key asset for improving the club's performance at the Australian University Games. The club has also had a meeting with Sailing Australia with the aim of building a relationship and better pathways for sailors entering university.

Captain of Boats:	John McDonald
Treasurer:	Warren Fletcher
Secretary:	Lorane Gaborit

SCUBA CLUB

The ANU SCUBA Club facilitates SCUBA diving for the broader ANU community. While the club has a base of very experienced divers, it caters for all abilities and levels of experience. Our aim is to provide the basis of a diving community through which Canberrans can enjoy Australia's world-class marine environment, affordably and safely.

The club owns 14 complete SCUBA sets (BCDs, regs, tanks) that are available for cheap hire (free for students), two boats, and a compressor used to fill tanks on remote trips. Through a real hands-on approach, car sharing, free gear hire for students and camping, we are able to keep costs down and share our experience.

2017 saw fourteen dive trips organised by club members, to locations up and down the South Coast. In addition to our regular favourites, including Jervis Bay, Montague Island and Shellharbour, the club also made forays to some lessor known spots.

Several dives were made to the Lady Darling wreck, a steamer that sank in 1880 which now plays home to a rich variety of sea life. Our traditional Australia Day trip saw good enough weather to make it out to Beware Reef, an 'off the beaten path' site full of rich sponge gardens and corals. Another highlight was the extended excursion to 'The Banks' (Sir John Young Banks), a reef system close to Currarong which the club explored and added a couple of new spots to the GPS.

These dives locations in particular add another advantage to diving with the club as they are not visited by commercial operations.

The club is run entirely by volunteers organising trips, maintaining equipment and boats, giving advice and undertaking all administrative tasks. Thanks go out to all who have pitched in this year!

Administration

President:	Charlotte Rouse
Treasurer:	Torsten Schwich
Secretary:	Michael Walker

A humpback whale seen in Jervis Bay (courtesy of T. Schwich)

SNOWSPORTS CLUB

2017 was another excellent year for the ANU Snowsports Club and its members. As in previous years, the club held multiple on and off-snow events that all members were welcome to attend. This included meet and greets, inter society mixers, coast trips, and the two main attractions; Uni week and Snow University Games.

At the 2017 Snow University Games, ANU competed against 20 Universities from across Australia at Thredbo resort in the Snowy Mountains of NSW. ANU competitors went head to head with other student athletes, including Olympic level competitors, and secured multiple medals throughout the week. The total medal tally for ANU for the week was one gold, three silvers and one bronze. Overall ANU came third in the points tally for female competitors. We were extremely proud of our achievements and of the effort put in by all club members.

Our second major trip of 2017 was Uni Week, also held at Thredbo resort. The week gave ANU Snowsports members a chance to get their 'ski-legs' back and hone their skills in preparation for Snow University Games. This trip also gives members a chance to ski and board with new friends from both ANU and UC and many other universities around Australia.

The year as a whole was a major success, and the smooth running of trips is a testament to the work put in by both members and the executive alike. We look forward to another great year in 2018 and can't wait to get back on the slopes doing what we love.

Treasurer:	Chloe Dawson
Treasurer:	Isabella Mortimore
Social Rep:	Eleanor Corden
Social Rep:	Milo Goldacre

SOFTBALL CLUB

The ANU Softball Club has achieved a lot in its second year! The club's youth and small membership base produces a friendly, fun community that is open to all.

In 2017, the club trained weekly under the guidance of coach, Chris Tully, with serious improvement being noted across the year. The girls should be particularly proud of their bunting, as well as basic fielding techniques. The addition of some new equipment, notably catcher's gear and a pitching cage, improved both our pitcher-catcher and batting practice.

The Owls placed fourth in the Winter Social 7s competition, playing under modified softball rules. It was a true highlight of the year, with communication, friendship and skills all growing throughout the season.

Placing fourth at the Australian University Games was another huge achievement for the Softball Club. After failing to field a team for the past few years, to send such a competitive group of girls away was a huge success and all involved are to be congratulated.

Without a sponsor this year, the softball social calendar was smaller than previously. However, it was great to see the team rallying around BBQs and trivia. It would be wonderful to see this expand next year, and there is also potential for more intervarsity matches and games against local teams.

2017 has been wonderful and all club members should be proud of their, and the club's, growth this year. We can't wait to see what 2018 has in store!

Administration

President:	Sophie Jones
Vice President:	Caity Price
Treasurer:	Elizabeth Whitty
Secretary:	Maddison Fisher

SWIMMING CLUB

At ANU Swimming, we seek to make swimming fun and accessible for the ANU Community. During semester, we regularly swim up to four times a week at the Canberra Olympic Pool. This year our members benefited from various competitions and social events. Next year is looking to be even better as we introduce structured coaching development, regular competitions and social opportunities.

Highlights

This year has been an exciting year for the ANU Swimming Club. In April, four members participated in the Coogee Beach Ocean Swim, a 2.4km swim around Wedding Cake Island. In May, 12 members successfully won the "1st Runner-up award" in the MS Megaswim, a 24-hour relay style race for Multiple Sclerosis. In September, five members travelled to the Gold Coast to participate in the 2017 Australian Uni Games. Our women's relay team achieved glory when they won four bronze and four silver.

Our members have also enjoyed many social activities hosted by the club. Over the year we have held social nights at Grill'd and morning teas at Dobinsons. Our club even organised a weekend trip on the coast in November.

The future looks bright for ANU Swimming. We don't yet have a pool on campus, however we are planning more regular social and competitive events, structured coaching development for our coaches, and better student engagement with the appointment of a new Events Director and Student Engagement Officer.

Administration

President:	Edward Ryan
Treasurer:	Brandon Bodel
Secretary:	Rowan Hearne

TABLE TENNIS CLUB

2017 was a record-breaking year for the club, with record membership, attendance, and number of events. We took a 7-0 victory over UC in the ANU vs UC competition, held the joint competition with ACYA, facilitated the interhall competition, and were able to represent ANU at the AUG once again. For the entirety of the first semester, we were reaching capacity in terms of attendance. For the second semester we were never below running four tables.

Finances are also looking very good. We have had 44 paying members this year and our booking expenses are approximately \$1000. With the Grants funding coming through from ANU Sport to cover our equipment purchases we are operating at a \$700 profit for the year. As such we should be able to afford an additional session on Thursdays even if membership lessens from the current year. As for Uni Games the men's team came sixth and the women's team came fourth. Yige won gold in the women's singles. The key issue with both of our teams is that we lacked a very strong number two player.

Administration

President:	Alexander Bray
Treasurer:	Michael Guo
Secretary:	Ellon Tao

TAEKWON DO CLUB

In 2017 the ANU Taekwon-Do Club retained its status as one of the most popular clubs at ANU Sport. Looking at the size and energy of the classes, you would never guess that this club was only founded in 2013. The club's active involvement in tournaments, live demonstrations, master classes, seminars and gradings saw its continued development and rise to success.

Highlights

Three of our members attended a Black Belt Camp at the Sunshine Coast in May. This was a tremendous opportunity to train with hundreds of Black Belts from all over Australia and the US over an action-packed, intensive weekend!

For the third year running, our representative team achieved unbelievable outcomes at the National Championships in Brisbane. Juggling studying for their final exams while their training intensified leading up to the tournament, our team showed incredible commitment to their cause and to each other, often training from 6pm until 10pm throughout the week. Their hard work ultimately paid off, with each team member walking away with at least one medal for their performance across the four individual events and team sparring. The absolute highlight of the weekend was Cassandra Watt winning gold in the Women's Black Belt Patterns division, one of the most competitive divisions. Having been knocked out first round in the two previous years, Cassie demonstrated just how much can be achieved with hard work, humility and unrelenting determination – exactly how we train at the ANU Taekwon-Do Club.

Administration

President:	Charlene Harris
Vice-President:	Guy Pedashenko
Treasurer:	Raina Singh

TENNIS CLUB

For ANU Tennis Club, 2017 was a year of strong growth. With the club based on our new courts at South Oval for the full 12 months, our membership grew 40% to over 170 student and staff members. This growth saw club sessions introduced on Wednesday nights to cater for more advanced players as well as beginner match play sessions on Saturday afternoons, so beginner players could play matches outside of our usual Sunday coaching.

A particular focus of the committee was to increase female participation within our club and to help this we launched a dedicated ladies' session on Friday afternoons.

The club was once again successful in the Tennis ACT Pennant competitions, with two teams winning their divisions and another coming runner up. This success helped the club get nominated for Best ACT Tennis Club, which helped showcase the club and ANU Sport to the wider Canberra area.

We sent a men's team to the Australian University Games and were represented by Rudi Johannes, Gauthum Shanmugasundaram, Jordan Uhr and Stefan Salvatore who managed to place in the top 10 at the games. The club also managed to win the annual intervarsity competitions against University of Canberra and ADFA.

The club would like to place on record its appreciation for club Head Coach, Dillon Hamill. The on-court activities of the club would not function without his effort.

We look forward to seeing all existing and prospective tennis players on the court in 2018.

Administration

President:	Min Han Yap
Vice President:	Samuel Walker
Treasurer:	Theo Andre Olivier

TOUCH CLUB

In 2017 the ANU Bears Touch Football Club participated in various competitions including Lunchtime Sport, Intervarsity, Eastern University Games, and the ACT domestic competitions. The club aimed to facilitate members across a broad range of skill levels and maintain its reputation as a fun and sociable club.

With 101 members in 2017, the club entered eight teams in the semester one lunchtime touch competition and five teams in the second semester. The club managed to have teams take away both division one titles.

Eastern University Games saw the Bears take away two teams to Newcastle in the Men's and Women's divisions. The club had members receive upgrades on their refereeing accreditation at state and national tournaments, with strong representation of four players and two referees at Nationals.

The club entered two teams into the ACT Domestic Mixed competition, with one team qualifying for A grade, and the other team winning B Grade.

Highlights

ACT Domestic Competition	B Grade Winners
Rebecca Beath	Vawdon Cup and NSW State Cup Grand Final Winner, Elite 8 Finalist

Administration

President:	Jack Van Lohuizen
Vice-President:	Zoe Zhang
Treasurer:	Teddy Johnston
Secretary:	Kirsty Dale

ULTIMATE CLUB

2017 was an extremely successful year for ANU Ultimate. Learning from the cumulative experiences of the past several seasons, the club was able to implement various programs that resulted in significant growth in its membership and ongoing participation, notable improvements in members' playing ability, and an increased level of competitiveness against other University clubs.

During O-Week the club made a concerted recruitment drive targeted particularly at newcomers to ANU. The club's record-high membership reflected the success of these strategies, which were consolidated with an extremely high level of member engagement and retention throughout the season.

ANUUC also organised and ran the Eastern Ultimate Championship, a major qualifying event for clubs campaigning during the Australian Ultimate Championship season. This was a major source of revenue for the club during the year, but a major undertaking involving hours of organisational planning and work before, during, and after the event, as well as the large quantity of work done by club members volunteering during the tournament. Other fundraising events in 2017 included a barbeque at Officeworks, and a two-day coaching clinic.

ANUUC had an extremely successful competitive year in 2017. We won our IV match against UC convincingly, with a final score of 14-7. We sent three teams, totalling 40 members, to a weekend tournament in Bathurst, giving many their first taste of an actual tournament. We sent two teams to EUG, which finished third and ninth respectively. We sent two teams to AUG, which finished fourth and ninth.

Administration

President:	Matt Daly
Treasurer:	Callum Sambridge
Secretary:	Ariel Ivanovici

VOLLEYBALL CLUB

The ANU Volleyball Club had a very successful 2017! In the Canberra Volleyball League, the Premier Women won the gold in a close five set final, defeating six year reigning champions BVC. The Division 1 Women also took down BVC to win the gold medal for the first time since 2012. The Division 1 men's teams finished fourth. In the Autumn Open League, the Div B Men won gold with an impressive 98% set percentage, and the Spring Open League Div A men came 11th.

The club sent both men's and women's indoor teams to compete at Eastern University Games, and both teams played admirably well, despite the fact by mid-week a series of injuries had left both teams with only six players.

At the Australian University Games on the Gold Coast in September, the mixed Beach Volleyball team was in an open pool of 23 teams. They played consistently well throughout the week and ended up bringing home the bronze medal for ANU.

Georgia Clayden, Tessa Barbour, Tatjana Pohl, Jacqui Jones, Jamie Clayden, Tom Martin and Jeremy Pople were all selected to represent the Canberra Heat teams in the Australian Volleyball League.

Georgia Clayden and Tessa Barbour represented Australia in the U23's Asian Championships in Thailand. Jamie Clayden also represented Australia in the U19s Volleyball Cornacchia World Cup in Italy.

The Club congratulates all the ANUVC players who represented the club at a state, national and international level in 2017!

Administration

SPORT AND RECREATION COUNCIL REPORT

The members of the Sport and Recreation Council present the financial report of The Australian National University Sport and Recreation Association Incorporated for the financial year ended 31 December 2017.

SPORT AND RECREATION COUNCIL MEMBERS

The names of the members who held Sport and Recreation Council office during the financial year and at the date of this report are:

Elected Executive Members:

Mr David Luchetti (President)
Ms Jacqueline Williams (Vice President)
Mr Neil Parsons (Treasurer)

Appointed Members:

Mrs Christine Allard (to 26 October 2017) Mr Stephen Milnes (from 26 October 2017) (University Council Representative)
Ms Sally Muradoglu (to 26 October 2017) Mr Zyl Hovenga-Wauchope (from 26 October 2017) (PARSA representative)
Ms Felicity Brown (to 21 February 2018) Mr Campbell Clapp (from 21 February 2018) (ANUSA representative)

Elected Ordinary Members:

Mr Tim Banks (from 12 April 2017)
Mr David Barr
Mr John Carver
Ms Jennifer Church (from 12 April 2017)
Mr Andrew McPhillips
Mr Max Wakefield

PRINCIPAL ACTIVITIES

The principal activities of the association during the financial year were the provision of sport and recreation facilities and services to students and staff of the university, and graduate and associate members of the association.

SIGNIFICANT CHANGES

No significant change in the nature of these activities occurred during the year.

OPERATING RESULT

The deficit for the year was \$139,610 (2016: \$10,506)

AFTER BALANCE DATE EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the association, the results of those operations, or the state of affairs of the association in future financial years.

Signed in accordance with a resolution of the Members of the Sport and Recreation Council.

David Luchetti
President

Neil Parsons
Treasurer

Dated: 22/3/18

**THE AUSTRALIAN NATIONAL UNIVERSITY
SPORT AND RECREATION ASSOCIATION INCORPORATED**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

The Australian National University Sport and Recreation Association Incorporated is an association incorporated in the Australian Capital Territory under the Associations Incorporation Act 1991. The financial statements cover The Australian National University Sport and Recreation Association Incorporated as an individual entity.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and Associations Incorporation Act 1991.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The amounts presented in the financial statements have been rounded to the nearest dollar.

The following is a summary of the material accounting policies adopted by the entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Income Tax

The Association is exempt from Income Tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks or financial institution and investments in money market instruments maturing within less than two months and net of bank overdrafts.

(c) Revenue

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Other revenue is recognised when the right to receive the revenue has been established. All revenue is stated net of the amount of goods and services tax (GST).

Grant funding revenues, which is subject to contractual grant funding conditions, are recognised proportionally as expended during the financial year in order to match the revenue with the relevant project expenditure. Any portion of grant funds which have not been fully expended during the year are recognised as unspent grant funds and shown within the balance sheet.

(d) Stock

Stock on hand is valued at the lower of cost and net realisable value.

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(f) Receivables

Trade receivables and other receivables are recorded at amounts due less any provision for doubtful debts.

(g) Payables

Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Association.

**THE AUSTRALIAN NATIONAL UNIVERSITY
SPORT AND RECREATION ASSOCIATION INCORPORATED**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(h) Property, Plant and Equipment

Each class of property plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.
Plant and equipment

Plant and equipment is measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by executive officers to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets including plant and equipment and capitalised leased assets, but excluding freehold land, are depreciated over their estimated useful lives to the Association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates and useful lives used for each class of depreciable assets are:

Class of fixed asset	Depreciation rates	Depreciation basis
Plant and equipment	5 - 33.3 %	Straight Line & Diminishing Value

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

(i) Right of Occupancy

The cost of contributions to the items listed in note 5 is brought to account as a right of occupancy. This right of occupancy is on a day-to-day basis. The Australian National University has given no assurance as to the tenure of the Sport and Recreation Association's occupancy over the assets listed in the schedule, that are at present under the Sport and Recreation Association's management and control. The Statement of Financial Position figure represents the amounts spent by the Sport and Recreation Association towards the cost of construction and improvements less an amortisation charge calculated on a straight line basis, for most assets but not all, over 40 years.

The University has the legal right to terminate the right of occupancy in full or in part at any time. Should they choose to do this then the Sport and Recreation Association would be unlikely to recover any of the carrying amount of the assets concerned. As a result the Sport and Recreation Association may not be able to continue its current operations.

(j) Impairment of Assets

At each reporting date, the Association reviews the carrying values of its tangible assets and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(k) Employee Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the statement of financial position date. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled.

(l) Critical accounting estimates and judgments

The Association's management evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

Key estimates – Impairment

The Association assesses impairment at the end of each reporting period by evaluating conditions and events specific to the company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

SPORT AND RECREATION ASSOCIATION INCORPORATED**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

	2017 \$	2016 \$
NOTE 2: CASH		
Cash on hand	300	300
Cash at bank	89,794	192,001
Cash on deposit	2,395,701	2,546,180
	<u>2,485,795</u>	<u>2,738,481</u>

NOTE 3: TRADE & OTHER RECEIVABLES

Trade receivables	149,417	87,851
Less: Provision for doubtful debts	(555)	(3,355)
	<u>148,862</u>	<u>84,496</u>
Other receivables	2,225	8,772
Unsecured loans receivables	235,722	39,459
Total trade and other receivables	<u>386,809</u>	<u>132,727</u>

Provision for Impairment of Receivables

Current trade receivables are generally on 30-day terms. These receivables are assessed for recoverability and a provision for impairment is recognised when there is objective evidence that an individual trade receivable is impaired. These amounts have been included in other expense items. Impairment was required at 31 December 2017 of \$555 (2016: \$3,355).

Credit Risk — Trade & Other Receivables

The Association does not have any material credit risk exposure to any single receivable or group of receivables.

Amounts are considered as 'past due' when the debt has not been settled within the terms and conditions agreed between the Association and the customer or counter party to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Association.

NOTE 4: PLANT AND EQUIPMENT

STATEMENT BY MEMBERS OF THE SPORT AND RECREATION COUNCIL

In the opinion of the Sport and Recreation Council the financial report as set out on pages 2 to 11:

1. Presents a true and fair view of the financial position of The Australian National University Sport and Recreation Association Incorporated as at 31 December 2017 and its performance for the year ended on that date in accordance with the Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board.
2. At the date of this statement, there are reasonable grounds to believe that The Australian National University Sport and Recreation Association Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Sport and Recreation Council and is signed for and on behalf of the Sport and Recreation Council by:

David Luchetti

Neil Parsons

Dated: 22/3/18

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF
THE AUSTRALIAN NATIONAL UNIVERSITY
SPORT AND RECREATION ASSOCIATION INCORPORATED**

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report of The Australian National University Sport and Recreation Association Incorporated, which comprises the statement of financial position as at 31 December 2017, the statement of profit or loss and comprehensive income, statement of changes in equity and cash flow statement for the year ended on that date, notes comprising a summary of significant accounting policies, other explanatory notes and the Council members' declaration of the financial statements giving a true and fair view of the financial position and performance of the Association.

In our opinion, the financial report of The Australian National University Sport and Recreation Association Incorporated is in accordance with the Associations Incorporation Act (ACT) 1991 including:

- i. giving a true and fair view of the Association's financial position as at 31 December 2017 and of the performance for the year ended on that date; and
- ii. complying with Australian Accounting Standards to the extent described in Note 1, and the Associations Incorporation Act (ACT) 1991.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. Our responsibilities under those standards are further described in the Auditor's Responsibility section of our report. We are independent of the Association in accordance with the requirements of the Australian professional ethical pronouncements. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Other information is financial and non-financial information in the annual report of the Association which is provided in addition to the Financial Report and the Auditor's Report. The council members are responsible for Other Information in the annual report. The Other Information we obtained prior to the date of this Auditor's Report was the Council members' Report, no other Information will be provided. Our opinion on the Financial Report does not cover the Other Information and, accordingly, the auditor does not and will not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. We are required to report if we conclude that there is a material misstatement of this Other Information in the Financial Report and based on the work we have performed on the Other Information that we obtained prior the date of this Auditor's Report we have nothing to report.

Council's Responsibility for the Financial Report

The council members of the Association are responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In preparing the financial report, the council members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the council members intends to wind up the Association or to cease operations, or has no realistic alternative but to do so.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF
THE AUSTRALIAN NATIONAL UNIVERSITY
SPORT AND RECREATION ASSOCIATION INCORPORATED**

Auditor's Responsibility for the Audit of the Financial Report

Our responsibility is to express an opinion on the financial report based on our audit. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial reports. As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

The procedures selected depend on the auditor's judgement, including assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council members, as well as evaluating the overall presentation of the financial report.

We conclude on the appropriateness of the Council members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reports or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We obtain sufficient appropriate audit evidence regarding the financial information of the Association to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion. We communicate with the Council members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

AUDITOR'S INDEPENDENCE DECLARATION
TO THE COUNCIL MEMBERS OF
THE AUSTRALIAN NATIONAL UNIVERSITY
SPORT AND RECREATION ASSOCIATION INCORPORATED

We declare that, to the best of our knowledge and belief, during the year ended 31 December 2017 there have been:

- no contraventions of the auditor independence requirements in relation to the audit; and
- no contraventions of any applicable code of professional conduct in relation to the audit.
